Health, as usual, is good in this community. The doctors are getting to be strangers, gloomy strangers. Perhaps it is because their prospects are gloomy.

The farmers are busy from early till late gathering cotton. Every hand on the farm, and every child from the cradle up, must go to the cotton field. The old man himself, who complains all the time of a stiff back, must be there to make the full. tiff back, must be there to make the full number. He says: "O, if I was young like you all are, I would never want to

The farmers seem to think that the price of cotton is higher now than it will ever be again; consequently they are crowding the gins with so much cotton that some of the ginners are compelled to run their gins nearly all night.
A great many of our neighbors are car-

A great many of our neighbors are carrying cotton to Pelzer. They claim that it pays in both price and weight.
Cotton is opening very rapidly now, but as jack frost has already been seen, it is feared that he will return soon with re-inforcements, and capture a large per

shucking dinner this year, as is generally the case, the time is some distance off yet, but as the potato crop is good, and the cook can turn the potatoes into custards, ing business is gradually becoming a thing of the past. Several years ago when the farmer made corn their principal crop, it was customary to invite all the neigh-bors for two and three miles around, both black and white. There were generally a pleasures which we are deprived of. know our father, (he is in Texas now) who went to a corn-sbucking one night, and sat on an icy pumpkin by the side of a young lady, who afterwards became his wife, and we doubt that his sons will ever

young man, who is a favorite of a number of ladies, went to see his favorite girl. preparation to start home. He took the young lady's hand to bid her good night, said: "won't you give me of high the said of t said: "won't you give me a ki-s-s before I leave?" Her answer was a posi-tive "no," but the embarrassed interrogator still held the hand, and continued to beg and plead for "just one kiss," till the clock struck ten, when the old man, who was in an adjoining room, was who was in an adjoining room, was aroused. He heard the the young man say, "I cannot, and will not, go home till you kiss me." This saying was repeated until the old man became tired, and he roared out, "daughter, for the Lord's sake give him a kiss and let him go." The only thing that disturbed the old man then, was the noise the young man made as he vent over the yard paling near the gate. The young man says accidents will happen, and has written to Fred D. Bush to know the price of second class tickets to

It was our pleasure to accept a kind invitation to witness the holy bonds of matrimony celebrated between Mr. J. D. Richardson, formerly of Jackson County, Ga., but now resides near the city of Anderson, and Miss Adelia Whittaker, second daughter of Mr. J. N. Whittaker. Everything was well arranged for the occasion, and at eleven o'clock a. m., the ter Haves had made both hearts and lives We wish this lovely young couple a long, happy and prosperous life.

Our clever young friend, Mr. T. A. Campbell, of Rock Mill Township, paid his best girl a visit near here on last Sab-

We are still awake, if you do not hear from us every week.

There was enough frost on the morning of the 30th ult. to kill all the tenderest

in this community.
Our Literary Society is still improving. At the last meeting the following officers were elected to serve the ensuing term: J. W. Rothrock, President; B. J. Smith, Vice President; Miss Kate Craig, Secretary and Prof. W. P. Holland, Critic. \$190.00, to be completed by the first of J. H. Hutchinson, Esq., has just finished substantial gin-house, and is now prepared to accommodate many of his friends.

One of our neighbor girls, Miss Minnle Burriss, left us last week to again enter school at Due West. We trust she may be successful in her studies.
Professor Shields, of North Carolina, has been teaching a writing school at Lebanon for the past three weeks. We think he is wall qualified to do do this work, and hope he will visit us again.
